Was a Pitcher's Battle.

Chicago, June 14.-For seven innings today's game was a pretty pitchers battle, neither side getting more than an occasional hit. A clean steal sand-wiched in between two hits gave Chi-cago a run in the eighth, then their battery became entangied, a passed hall in the muth, placing a man on third and a wild pitch in the tenth doing the same, and both men scored on long outfield files. "TERRIBLE SWEDE" MATCHED

Shetland Pony to Go Against "In-

Judging from the programme, there will be racing well worth witnessing at Calder's park this afternoon. The in-terest largely centers around the match race between John Lawson, "the Terri-

race between John Lawson, 'the Terrible Swede,' and Exra Thompson's trotting herse Rimar. Lawson has done a mile on the quarter-mile cycle track in 2:141-5, but he can hardly do so well on the half-mile track, Rimar has a record of 2:22%, and it is believed he can go in faster time, so the race is bound to be interesting.

By agreement, Lawson is to ride the whole distance without taking pace. Another interesting feature will be the handleap harness race, one-half mile, between Hines pacing Shetland pany. 'Bolton Rill,' and Con Jones' trotting horse, 'Intellect.' The pony is to have 150 yards handleap and this ought to make the race close and interesting. The triangular half-mile dash for a \$200 purse, between Ben Holt, Miss Remson and Tampa Maid will be one of the best events of the day.

Fourth race, seven furiouss—Moco-rite won, Bloodhound second, Charlotte third, Time—1:234, Fifth race, five and a half furiouss—
